

## Agreement for Requesting A Temporary Water Service (Connection to a Fire Hydrant)

ECUA personnel will set a 3" water meter and backflow device to the nearest fire hydrant of the requested site. The applicant or his/her agent must be present to receive proper instructions on the assembly and brace of the unit and operation of the hydrant. The applicant or his/her agent is responsible for securing the meter to avoid damage and/or theft. **If the hydrant meter is lost, stolen and/or damaged, ECUA will retain the deposit on file. The customer will be required to submit another deposit for any other hydrant meter(s) requested.**

**Fees and Charges:** A meter deposit of \$1,080.50, installation fee of \$38.75 and a backflow prevention fee of \$10.00 are required prior to installation.

Charges for water usage are based on the current minimum charge for a 3" meter, plus a volume charge per thousand gallons. The charges are as follows: **(These are the current rates, which are subject to change from time to time, based on ECUA Board Action.)**

	<u>Mainland</u>	<u>Pensacola Beach</u>
Minimum for 3 Inch Meter	\$121.15 (no usage)	\$225.94 Includes 50,000 Gal.
Charge per 1,000 Gal.	1.92	3.41

No person, other than ECUA personnel or an authorized agent of ECUA, shall relocate any ECUA water meter. A request to relocate or terminate the temporary service must be made to ECUA Customer Service by contacting 850-476-0480.

I \_\_\_\_\_ agree to the terms and conditions stated above and understand that the deposit will be forfeited if the meter is not returned to ECUA. This will apply to any current as well as future applications for a fire hydrant meter.
